Every Spring and Fall, Creature Concierge brings Lori Dodd (also known as the Tooth Fairy) to her home office. Lori is a dental hygienist for dogs. She cleans a dog's teeth without anesthesia. Note details below:

- You will receive a scheduled time.
- Please text when you arrive at Jet's - rather than knocking or ringing the doorbell. Door noise disturbs the other dogs.
- Each appointment takes about 1 hour.
- After the appointment you will receive:
 - A dental report from Lori
 - A toothbrush for your dog
 - Toothpaste information
